

Parents attending Centre of Excellence.

These are the **guidelines for your players.**

When you arrive for training, please go to the Coach who will take your temperature.

- Please wear a Mask to and from the fields.
- Please observe social distancing requirements.

The Coach will ask the following questions:

Were you diagnosed with COVID-19 or Have you experienced symptoms of COVID-19 within the last 24 hours?

Have you had contact with a person that has or is suspected to have COVID-19 within the last 14 days?

Parents guidelines.

When the player arrives for Centre of Excellence training. We will take their temperature and ask them the following health screening questions before they check-in: Masks must be worn before and after training.

Parents please stay in your cars during the training sessions. Do not allow your child to participate if the answer is YES to any of the following questions:

Were you diagnosed with COVID-19 and have not recovered or are still within the required 14-day quarantine?

Have you experienced symptoms of COVID-19 within the last 24 hours?

Have you had contact with a person that has or is suspected to have COVID-19 within the last 14 days?

We will do all we can to keep all players safe by asking these questions and taking all due precautions, including social distancing.

Parents please stay in your cars during the training session. Gathering about the field and socializing is not permitted at this time.
